

# AITOR VÉLEZ

## VIDEO GAME DESIGNER

Hi, my name is Aitor and I've studied videogame development. I'm 22 years old and my goal is to find a job that can let me work in my passion, videogames. During this years I've joined, and been part of a team working on different school projects, related to game design, art and development.

## KNOWLEDGE AND ABILITIES

- Ability and experience in leading and organizing work teams (Management).
- Teamwork using agile methodologies. (Scrum, Kanban)
- Self-learning ability and curiosity to learn new things.
- Multidisciplinary profile, with experience in programming (C, C++,C#), knowledge of game design, and game art (3D modelling).
- Software knowledge(Adobe, Autodesk, Microsoft Office, Unity, Unreal)

## INTERESTS

- Sport is one of my main interests, as it helps me to switch off and just focus in physical activity. I see sport as a social and healthy activity.
- I really enjoy going to the cinema, specially I love Science-fiction films.
- I am very fond of travelling, interacting with people and exploring new places.
- And OBVIOUSLY, Video Games are my passion, and I choosed them to be my vocation :)

## EXPERIENCE

AD Hoc Classes 2021-present : I've been a teacher to help high school students to pass their courses. Helping them has made me learn a lot about interacting with people and emphasising.
